SCHEDULE

The contractor agrees to furnish at his/her/its own cost all labor, insurance, materials, equipment, and power for the completed delivery of the supplies.

All supplies and deliveries of supplies will be in accordance with: the IFB, this contract and any applicable plans, specifications, and drawings for a TOTAL PRICE of \$4 Trucks @ 103,504.84. (If unit prices are applicable, the contractor agrees to perform for those unit prices as set forth in the Schedule of Unit Prices attached hereto.) The supplies shall be delivered as follows:

Approximately 150 days from receipt of order

/ / 2. Liquidated Damages Provision. (This clause shall be applicable to this contract only if the box contains a checkmark or "X".)

It is hereby agreed by and between the City of Fort Wayne and contractor that time is of the essence of this agreement, and the contractor agrees that it will deliver the supplies as herein called for on or before the times spelled out in the contract. The parties agree that it is a business and governmental necessity that the supplies be delivered by these dates. The parties agree that in the event the supplies are not delivered by these dates, that it will be difficult or impossible to make an accurate determination of the damages that will be incurred by the City of Fort Wayne, and therefore provide for liquidated damages in the sum of \$_____ per day as a reasonable estimate as to the damages which would be incurred by the City of Fort Wayne. The parties further agree that causes beyond the control of the contractor may delay delivery of supplies. Therefore, the parties agree that delays in the dates for delivery of supplies beyond the control of the contractor shall not result in liquidated damages.

Delays beyond the control of the contractor can include but are not restricted to: Acts of God or of the public enemy, acts of the United States Government, State of Indiana Government and City of Fort Wayne in either its sovereign or contractual capacity, fires, floods, epidemics, guarantee restrictions, strikes, freight embargoes, and unusually severe weather; but, in every case, the failure to perform must be beyond control and without the fault or negligence of the contractor.
